to the readers of the APPEAL that, no calculated to array the prejudices of the three better in our cotemporary, and feel safe in prophesying from it the general acquirescence of the people of north Louisiana in the only measure of relief within their reach, as of relief within their reach, as the Times very all jaco charpeople of Louisiana, carries with it no such disastrous result, and it is hoped that the whole people accepting the compromise, will pacify the State, and re-establish the reign of law; that with re-establish the reign of law; that with the control of the lower house of the legislature, we will be able to have some oppressive laws repealed, and some important receives of relief enacted. The portant measures of relief enacted. The consequence of this will be that thousands of white people who would other- convey it to the trans-Mississippi dewise abandon our borders, will be enabled to remain at home; that a new down to Charlotte, North Carolina, registration and election law, according where the railroad ended. At this place abled to remain at home; that a new a fair election, will be passed; that something of confidence will be restorand property appreciate in value, and a ed, property appreciate in value, and a It is thought further, that hope reviving, under these benign inwill rally once more and triumphantly read it, inducing him to the unalterable slized, and a rush was made for the wagdetermination to urge the Wheeler compromise, and when it has been accepted -ns accepted it will be-to see that it is fantry, of Vaughan's brigade, from Muncarried out in good faith, in letter and spirit. We congratulate the *Times* on we will call J. T. Jones. They had its conservative course.

GOVERNOR COKE, it seems, was not out of the line of his duty when he vetoed the bill which passed the Texas | drove off in the woods, where they dilegislature granting three million dellars in State bonds to the International rated, Stephens to king his home in Tenrailroad. He was, so to speak, only nessee where he buried it, confiding its leaving go to catch a better hold. The hiding-place to his mother, a very old The Papers for the People Galveston News says that a bill granting five million acres of State lands to the International railway company has just | things there, the people being equally passed both houses of the legislature, divided on the question of the war, he and will be accepted as a company. Regarded as an amicable finality of the garded as an amicable finality of the quietly waiting until it would be safe for question between the company and the him to return home. Stevens stayed State, it is a consummation upon which | awhile with Jones, and thence went to the public as well as the private interests | another part of Georgia to visit some reconcerned may be sincerely congratu-lated. The News says the lands will be exempted from taxes for twentyfive years, and the exemption Stevens was gone, Jones mounted his will accompany the lands when sold. It would be difficult to overestmate the final value of lands reserved from mother with a forged letter, purporting sale for a series of years. As capital and population augment, the value will increase at an accelerated ratio from deliver the money to Jones, which the old lady did. Jones then started direct to California. Arriving here he puryear to year. By this process, the com- | chased a large tract of land in Me pany's landed estate, in the course of cino county, land being very low at that time, and has since amassed a large forten or fifteen years, must be something time in addition to his ill-gotten gains, fabulous. But had the company re- and is now highly respected as a memceived bonds, they would amount to the ber of the church. In the course of time same sum at any time in the future as Stevens, having ascertained that it would be safe, started for home, possibly dreamnow. So the governor's veto of the ing of a future life of ease and comfort other compromise has been, to the com- on some blue-grass farm-raising fat catpany at least, a blessing in disguise- | the and blooded horses-this being your if the news in regard to the senatorial average Kentuckian's or Tennessean's Mexican excursion prove true, a bless-Mexican excursion prove true, a bless-ing that will make itself felt much Buckling on his revolver, he scoured sooner than is anticipated.

FROM the publishers, 18 Rue Vivienne, on sight, and only recently ascertained his whereabouts. He is now in corre-Paris, we have received two numbers of this city, and an attempt will shortly be L'Explorateur, a geographical and commercial journal, under the patronage of the courts. the commercial geography commission. It is a quarto magazine of fortyeight pages, published weekly. The paper and printing are models of excellence, and the maps and illustrations are the best style of Parisian art. The contents are fascinating; all that is latest in geographical discovery, the results of explorations by sea and land, the examination of geographical questions, nided by all the lights of science and history, are comprised in the pages of L' Explorateur. The numbers before us | umns a few days ago: contain well written articles on explorations, toward the pole, in Africa, Brazil, French Canada, the Nile, coast of I beg again to express my regret that Guines, and other places, and an especially interesting article upon the construction of a canal without tunnels and without locks across the American was done your friend, Mr. John Young isthmus. The subscription is twentyfive francs a year. This admirable publication has the assistance of many of the most able men in France. It is just | ago, I expressed my conviction that so commencing, but will soon rank with far as that resolution imputed to Mr. the foremost scientific publications of Brown any intention of prevarication the foremost scientific publications of the world.

READERS of the APPEAL will remem-

tered by Mr. Brown, that I, in common ber that the Nashville Union and Amerwith the majority of the house, had been misled and had done injustice to ican did not agree with us when we called upon the legislature to investigate | Mr. Brown. The record itself I know to be incorthe charges of the New Orleans Times. rect in making his language preceding It has since repented of its position, and his allusion to the case of Burke a direct now says it believes "with Judge Les, charge upon a person not then named, that, as the matter has been pushed so far, as thorough an investigation as is possible under the peculiar circum- word that air, brown that and not that it was put hypothetically and not word that Mr. Brown uttered, and knew stancs should be instituted. It is not to be supposed that the members whose honor is involved can rest quietly under such an imputation. The very least that can be done is to give them a full that can be done is to give them a full sponse, which enabled him to finish his opportunity, not only to assert, but also to prove their innocence. Nor can Ten-nessee afford that the means by which qualifying it by my own distinct recol-lection, satisfies me that I did a great her new senator secured his seat should be brought in question. Justice to the injury to Mr. Brown in imputing this Shelby county delegation, to Mr. John-son, and to Tennessee, demands a sistent with entire good faith or with searching investigation. Some curiosity the integrity of an upright and honorais felt as to who the person is that edits | ble man. the Times. His name is Isaac N. Stout-I regret that I could not have stated this conviction of mine upon the floor emyer. We never heard of him before, of the house, and have thus aided in and that is all we know or care to know wiping out the undeserved imputation upon Mr. Brown in this regard inflicted

by my resolution. But my continued illness has kept me from my seat now for nearly four weeks, and will prevent Rosidon: Physician. rumored that a railroad to that place | my taking it again during the session. from Malvern is shortly to be built, and | I am glad to have the opportunity of exargues, correctly enough, we think, that | pressing myself thus freely and unreargues, correctly enough, we think, that this no doubt is due to the fortunate turn affairs have taken in the political prospects of Arkansas. Had Brooks been recognized by congress, farewell, a long farewell to all schemes of public improvement. A perfect pandemonium of provement. A perfect pandemonium of the process of Arkansas.
